Via public transport

From Munich airport (Franz Josef Strauss), travel by taxi is the easiest and fastest way to reach the Euro industrial park. The journey time is between 20 and 30 minutes (depending on traffic).

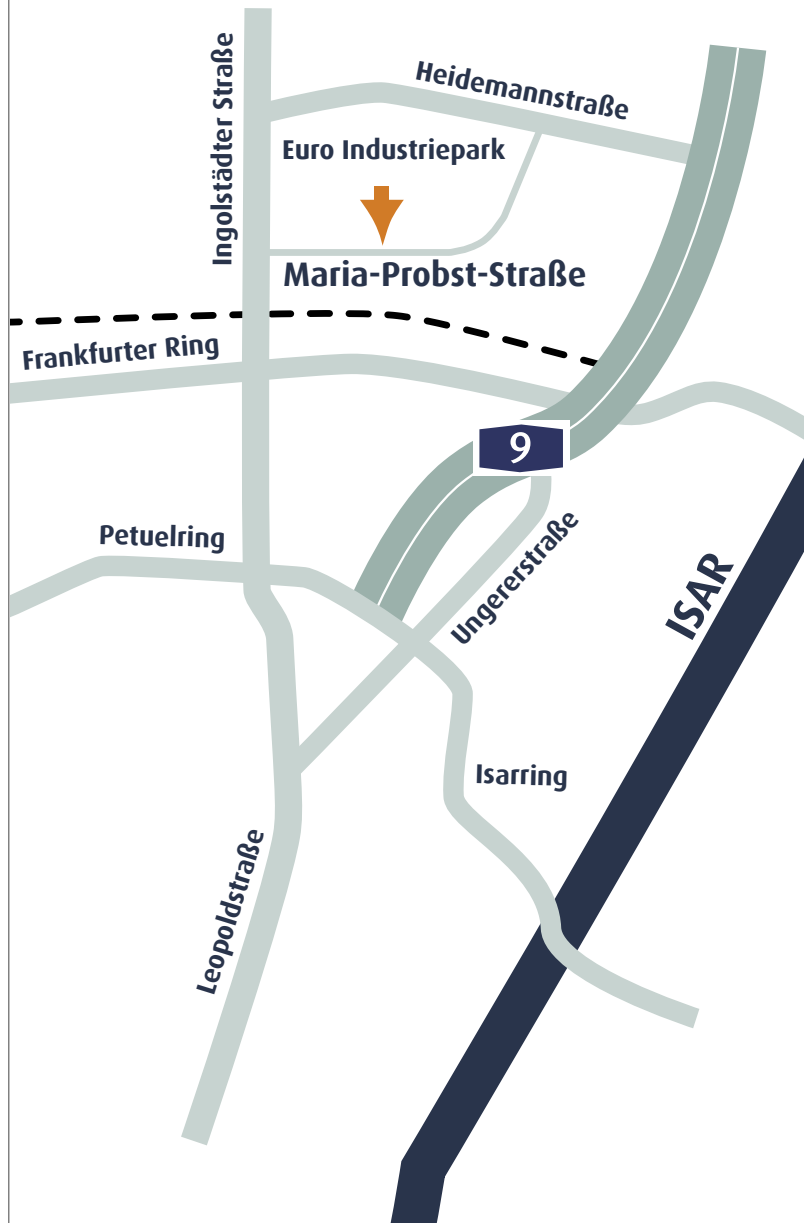

From Munich central station, travel by taxi is again the best solution. The journey time is between 15 and 20 minutes (depending on the traffic).

By car

All motorways heading in the direction of Munich lead to the A99 ring road. From this you need to take the A9 towards the city centre.

Leave the A9 at the Freimann exit and turn right into the road named Heidemannstrasse.

Follow signposts towards the Euro industrial park. Turn left at the second set of traffic lights (after about 600 m) into the road named Maria-Probst-Strasse. The financial.com building is located approximately 1 kilometre further on, on the right hand side, next to the Hess furniture store. Ample parking is available.
